**SYNOPSIS ABOUT HB LABORATORIES SDN BHD**

*HB LABORATORIES SDN BHD is a growing oil field and water treatment chemical company offering cutting-edge specialty chemical technology, innovative solutions and integrated industrial processes management to its customers in the oil and gas industry in Malaysia. HB Laboratories’ core businesses comprise of local chemical products development, manufacturing, marketing, distribution and provision of technical support and services in relation to chemical applications and performance monitoring to its customers. The company aimed at having chemical formulation and manufacturing as the core business activities beginning with supporting local oil chemical service companies and later supporting traders and service companies in the neighbouring regions, with an ultimate goal of becoming its own regional oil full service company.*
