

About KEN FOUNDATION's Scholarship Programme

KEN FOUNDATION was formed in 1995 as a charitable foundation with the objective of providing financial assistance to deserving Malaysian students. We believe that a sound educational background is the root to a nation's success, and we are committed to fulfilling this goal by offering scholarships to as many deserving Malaysian students as we can. Our policy does not seek academic excellence but is most concerned in assisting needy and able Malaysian students. By helping these students, we believe we could groom even more capable Malaysians for the future and offer them greater options in life.
