BACKGROUND

Valser Oil & Gas Sdn Bhd (VOG) was incorporated in 2010. The VOG group aims to become the top Malaysian and Asia Pacific Regional One-Stop-Solution-Centre for the supply and services of valves, actuators and controls for the General, Oil & Gas and Energy Industries. VOG places great emphasis on adding value to the industry by ensuring that their products and services are reliable, safe and of the highest quality.

Valser Valve Automation Centre (VVAC) is located in Nilai, Negeri Sembilan. The facility is their largest at present where all integration and testing of Actuated Valve Systems are conducted. In addition, together with Biffi Italia Srl, the facility also assembles and tests Biffi ALGAS pneumatic actuators.
