Introduction

High Voltage Test Lab Sdn Bhd was incorporated in April 2012 to provide factory routine and special testing services for oil and cast resin transformers. Located in Nilai, we are well established and fully equipped to conduct full testing services for medium voltage distribution transformers. We are now accredited with ISO/IEC 17025 pursuing to deliver most comprehensive tests in the industry. Our state-of-the-art equipment's are handled by experienced and qualified testers.

PERSONAL DATA PROTECTION ACT

I have read and understood the IEM's Personal Data Protection Notice published on IEM's website at <http://www.myiem.org.my> and I agree to IEM's use and processing of my personal data as set out in the said notice.

- The visit is strictly limited to only **thirty (30) participants** registered on a first come first pay basis.
- Interested members could register and pay online at IEM website (<http://www.myiem.org.my>); OR register by returning the appended registration form by **3rd Oct 2016** together with the payment.
- Cheques are to be made payable to "The Institution of Engineers, Malaysia".
- **The commitment fee must be settled prior to the visit.**
- After this closing date, IEM reserves the right to allocate seats on first come first pay basis.
- Members are also reminded that if a place is reserved, IEM may cancel the reservation if payment is not received.
- If IEM maintained the reserved seat and the intending participant failed to attend the visit on the date of the event, the fee will still have to be settled in full.
