SYNOPSIS

SPC Industries Sdn Bhd, specializing in precast concrete business, was established in 2002 (Ulu Choh’s factory) and their Sg Gadut, Senawang branch (Land Area: +/- 140 acres) was set up in year 2012 to capture & fulfill the rapid construction of KVMRT SSP Line & others upcoming project in Klang Valley & Central region. Being one of the major precast manufacturers in the market, SPC’s products are ranging from precast tunnel segments (TLS), Segmental Box Girder (SBG), Industrialised Building System (IBS), Reinforced Concrete Jacking Pipes RC standard products or any other custom-made precast products.

SPC has extensive experiences in manufacturing of underground Precast Tunnel Segments (TLS) & Elevated Viaducts Segmental Box Girder (SBG) for Singapore - SMRT & Klang Valley Mass Rapid Transport – KVMRT Line 1 & 2. The participants of this Technical Visit will have a chance to get real close to the TLS & SBG casting yard and gain better insights of the productions and operation of precast concrete plant which certified to ISO9001:2008 & also recognized by Building & Construction Authority (BCA) Singapore.
