

STEM Talk to SMK Putrajaya Presint 14

by Mr. Chua Yaw Long, Grad. IEM

Mr. Chua Yaw Long is currently a committee member in IEM Engineering Education Technical Division (E2TD).

A STEM awareness talk was conducted by Mr. Chua Yaw Long from E2TD on 14th October 2016. The targeted students were from Sekolah Menengah Kebangsaan Putrajaya Presint 14. A total of 40 students took part in the talk.

The talk took about 30 minutes. A short video on why study engineering was shared during the presentation.
