SYNOPSIS

Steel Recon Industries (SRI) is a Malaysian company offering a comprehensive range of fire fighting products, equipment and technology solutions worldwide since 1974. SRI is wholly owned by SRII Group with a vast network of over 70 distributors spanning across Asia Pacific, Middle East, Europe, Africa and the Americas. Our innovative product designs and advanced manufacturing facilities have garnered international recognition from clients worldwide, underlining our commitment in providing the most reliable fire fighting equipment and solutions internationally. SRI's state of the art facility allows us to produce premium quality products at competitive prices to suit our customers' needs. Our specialized teams of fire protection engineers, support specialists and skilled technicians employ strong emphasis in continuous product improvement including systems and product modifications, which underlines our endless commitment in providing the best for our clients.

SRI is committed in providing the most comprehensive and reliable fire fighting equipment and systems parallel to our vision in protecting lives and properties. Our customers can be assured of the best in design, manufacturing, delivery, installation, training and technical support.
