Coca-Cola has invested RM1 billion in Malaysia since 2010, creating more than 800 jobs and touching over 75,000 customers directly over its six years in Malaysia with a total reach of over 200,000 customers across Peninsula Malaysia and East Malaysia. Through its programmes and partnerships Coca-Cola Malaysia aims to make a lasting positive difference in the local community. From promoting active lifestyles through their partnership with the Olympic Council in Malaysia, to working with Raleigh International and Muslim Aid Malaysia to provide access to clean water for more than 20,000 villagers in rural Sabah, and economically empowering women in Malaysia through the Coca-ColaKU entrepreneurship programme – Coca-Cola is committed to building sustainable communities in Malaysia.
