SYNOPSIS

The one-day interactive workshop will include introductory lectures on basic knowledge of arbitration and adjudication with hands-on participation from delegates guided by experienced arbitrators and adjudicators from the industry. The practical aspects will cover differences in the two processes.

The Arbitration lecture will deal with arbitration agreement, composition and appointment of arbitrators, tribunal's jurisdiction and conduct of proceedings, award and termination of proceedings, recognition and enforcement of awards.

As for Adjudication, there is also the issue of appointment of adjudicators, the Adjudication process of payment disputes, enforcement of Adjudication Decision, and in general immunity of Adjudicators and the prohibitory conditional payment terms.

Actual and sanitized cases will be used to illustrate the practicality of the 2 processes.

The workshop will be led by and conducted by a distinguished panel of experienced arbitrators and adjudicators. The participants will no doubt benefit from learning about the lectures and hearing from the practitioners' practical experiences through examples and case studies.

Ar. David Cheah APAM, APPM, FCI Arb is an Architect, Urban Planner, Adjudicator and Chartered Arbitrator. He believes that due to the nature of construction and the multiplicity of players in the construction industry, it will be unavoidable for consultants to be involved with dispute resolution, in one way or another. Ir. Leon is the principal of a civil and structural engineering consultancy firm. He has vast experiences in the administration of construction contracts including giving advice on contractual, mediation, adjudication and arbitration matters. His other areas of particular interest are forensic engineering and investigation of collapsed structures and slopes, and assessment of fire damaged structures. He acts as expert witness in courts and arbitration. Ir. Leon is also a CIDB accredited mediator, Fellow and a Chartered Arbitrator of The Chartered Institute of Arbitrators in London and an Adjudicator of KLRCA.

He is a committee member of the Subcommittee on Dispute Avoidance and Resolution Practice of the IEM and the past Chairman (2008-2010) of the Chartered Institute Arbitrators (CI Arb) Malaysia Branch. He is sitting as arbitrator in many on-going arbitrations.

Ms. Hor Shirley
