BACKGROUND

IME Group of Companies is the leading and most established CAD, CAM, and CAE solutions provider in Malaysia. We provide a full range of engineering solutions and services which cover Product Design and Development, 3D Printing, Reverse Engineering, Product Inspection, e-Manufacturing, and professional certification trainings. With innovation at its core, we have been serving the industries and educational institutions for over 37 years. Coupled with our experienced and highly qualified engineers, these tailored solutions are not only catered to engineering needs, but solutions that help our partners to grow.

Our core business includes:

- Distribution of CAD/CAM/CAE Software solutions, 3D Printers, 3D Scanners
- Consultancy and Engineering Services
- Technical Support
- Training and Certification Courses
