### SYNOPSIS

As a global leader in premium coated steel products, BlueScope is an unsurpassed and trusted brand in meeting engineering needs of the challenging building and construction industry with more than 100 facilities in 17 countries. Our strong partnerships and networks are built on BlueScope's great product brands of coated steel, namely COLORBOND®, TRUECORE® and ZINCALUME® steel. In ensuring the premium quality of our product, stringent tests are conducted regularly for all our products prior to introducing it to the market. Our products are made to meet high Australian standard using cutting edges steel manufacturing technologies. This technical visit allows visitors to understand about the whole production process, testing process and also how BlueScope's proprietary formula

make our product stay strong and beautiful after years.
