Mega Kabel Sdn Bhd was established in 1990 specifically to produce a range of effective low voltage cables for various applications. A member of the Malaysia Cable Manufacturers Association (MCMA), Mega Kabel is now firmly entrenched in the 1 KV-and-below sector of the industry. The company maintains a policy of strategic enlargement and diversification while still leveraging its strengths in core competencies. As a result, Mega Kabel has gained a strong foothold in the development in new areas in wholesaler markets in Asia and Europe

Mega Kabel's clientele runs an impressive listing on Malaysian shores as well as overseas in Maldives, Vietnam and the Middle East. The company's involvement ranges from applications for individual and private medium-scale project, to extensive infrastructural, commercial and industrial developments.

Commitment Fees
(Non refundable & non transferable)
IEM Member: RM 120
Non Member: RM 160

Mega Kabel's list of satisfied customers for its cables in Malaysia include most flagship commercial and infrastructure development undertaken in the country at the turn of the century. These mix of projects and integrated developments have, among others, helped propel both Mega Kabel and the Malaysian skyline onto the world stage. They include both the Sepang and Putrajaya satellite developments, as well as some of Kuala Lumpur's most sophisticated retail, lifestyle and recreational focal points.

Over the years Mega Kabel has achieved strong foothold in the wire and cable industry, establishing a reputation of being reliable and high quality manufacturer. Among the recognitions Mega Kabel has gained are as follows:-

- Product license issued by SIRIM QAS International Sdn Bhd since 1992
- Certified to ISO 9001:2008
- Top 50 Winner for Enterprise 50 award in 2002 and 2006
- Winner of MICCI Malaysian Entrepreneurs Branding Award in 2007
- "Syarikat Swasta Berprestasi Tinggi 2012" by Jabatan Kastam Diraja Malaysia
