SYNOPSIS

How many of us actually take time in developing our love and interest, other than career and business? How many of us actually wish to take amazing photos that with a 'WOW' factor? How many of us believe that we learn faster and amplify of result in a group of same interest?

Join this One (1) Day Workshop for your fast track toward 'Professional Photography'

SPEAKER BIODATA

Mr. Tey Hwee Wai

Had been an avid photographer since film days. His photography journey had encompassed varieties of field including Product Shooting, Building, Architecture, Events, Weddings, Studio, Motorsports, macro and landscaping.

His work has been published in magazines, e.g. MyC, DCM, Star newspaper & also various webpages in the internet. His work had also won some awards in photo competition. His concept of photography is "Photography is a form of art".

Camera is the tool that enables the artist to capture his views. How good is the picture depend on the artist imagination and his skills"
