SYNOPSIS

Halal Product Research Institute (HPRI), is a one stop centre for a comprehensive halal products research, training and consultancies in national and global levels. It comprises of three laboratories, Halal Services, Halal Science Research, and Halal Policy and Management. The Halal Services laboratory provides testing of halal and non-halal products in terms of chemical and DNA analyses. The Halal Science Research and Halal Policy and Management laboratories focus on halal research from food science, food engineering to halal tourism aspects.
