SYNOPSIS

Submarine information is very close guarded information due to strategic reasons. Malaysia had two operational submarines which was acquired in early 2000. The initial crew were trained onboard, used submarine from the French Navy. This submarine that was used for the training is now put to display at the Submarine Museum in Melaka. Since visiting onboard submarine are very restricted due to confidentiality, thus, this visit onboard the submarine at the Submarine Museum will provide a good understanding on the design and operational of submarines. To make this visit more interesting, a treasure hunt event will be organized during the visit.
