Members residing overseas are advised to pay by online payment via MyIEM portal or credit card (**Visa or Mastercard ONLY**). Kindly use the attached **Form A**. Payments by foreign banker's cheque are not advisable unless in the absence of other alternatives; however an extra **RM 50.00** is required for bank commission and handling charges.

3. Electronic Balloting / Electronic Bulletin and Journal

In our effort to be more cost effective as well as reduce the hassle for members to return voting papers by post, we will be moving towards Electronic Balloting in 2019. We would greatly appreciate if you could complete your personal and contact details in **Form A** as well as provide feedback to us on your choice to receive the voting paper. Alternatively, you may update your personal details in the MyIEM portal at **www.myiem.org.my**

As an initiative to reduce printing costs as well as support environmental initiatives, we will also be promoting the electronic version of the monthly Jurutera and the bi-annual Journal. Kindly indicate whether you would like to receive the hard copies in **Form A**. **Please note that non-completion of this section would be regarded as you having accepted our proposal to receive electronic copies of the publications.**

DONATION / CONTRIBUTION

IEM had established the following funds for various purposes:

IEM BUILDING FUND

IEM would like to take this opportunity to thank our members for generously contributing to this fund which is used to finance the purchase of Wisma IEM. We are very grateful for your contribution which amounted to RM3,286,618.94 as of October 2018. With contributions received from other fund raising activities totaling RM744,332.19, we have managed to reduce the balance of the bank loan.

The IEM Council is nevertheless appealing for your generous support to build up the Building Fund for improvement to the two IEM buildings and we sincerely hope that members would take it upon themselves to do their bit for the Institution and the future generation as well as for the profession.

Your kind contribution can be indicated in the attached **Form A**.

IEM BENEVOLENT FUND

The objective of the **IEM Benevolent Fund** is to provide relief to persons who are incapacitated by or suffering from hardship, sickness, age, accident or other infirmity (whether bodily or mental) and who are unable to pay for their own care. The persons qualified to receive such relief shall be:-

- i. persons who are for the time being or have at any time been corporate members or non-corporate members of The Institution of Engineers, Malaysia (past or present members), or,
- ii. the wives, husbands, widows, widowers, children or other relatives or dependents of such past or present members,
- iii. any other persons that the Council may in their discretion deem fit.

For this purpose, the Board of Management of the IEM Benevolent Fund is appealing for your generous support and had proposed a donation of **RM 50.00** for the year 2019. However, you may wish to donate any other amount than the proposed amount.

IEM EDUCATION FUND

The **IEM Education Fund** was set up on 11 May 1979 with the objective of contributing towards the further progress and advancement of all disciplines of the Engineering profession. The IEM Education Fund provides scholarships and educational loans, and also the provision of grants and sponsorships for seminars, conferences, research and other related engineering educational activities.

The Board of Management for the IEM Education Fund is appealing for your generous support and had proposed a donation of **RM 50.00** for 2019. However, you may wish to donate any other amount than the proposed amount.

All donations to the IEM Education Fund are tax-exempted.

IEM STEM FUND

The **IEM STEM Fund** was set up to promote interest in Science, Technology, Engineering and Mathematics (STEM) and to enhance the awareness on the roles and importance of STEM in socio-economic wellbeing and sustainable development. The IEM STEM Fund will be utilised for IEM to organise, conduct and/or support a series of programmes, activities and outreach to promote the importance of STEM.

IEM wish to express our heartfelt appreciation and gratitude for your generous support and contributions. We also thank you for your prompt action on the renewal of your membership. Should you have any query, please do not hesitate to contact any of our Secretariat staff.

Thank you.

Ir. Mohd. Khir bin Muhammad P.Eng, FIEM
