**SYNOPSIS ABOUT 3D GENS SDN BHD**

3D Gens or 3D Generation were established with the aim to industrialize 3D modelling and 3D Printing. With a vision to become the pioneer in digital Manufacturing anchored by a solid foundation in CAD/CAM and Additive Manufacturing Technology. The founder, Dr. Izhar Aziz has resolute courage to bring the 3D Printing technology to a realization in Malaysia and has strong believe that one day 3D Printing will be a new culture. The company started by penetrating Malaysia medical industry tackling niche areas such as surgical planning and customized medical implants and devices. The responses are overwhelming thus planning to expand services in orthopaedics, maxillofacial and dentistry. Applications are not limited to medical, other potential areas are engineering, automotive and aerospace industries.
