SYNOPSIS

Cerebos Pacific Limited underlined the Group’s intention to become the largest health supplements & food company in the Asia Pacific. With flagship BRAND’S® Essence of Chicken flying high and a broadening range of liquid and tablet health supplement products on a strong growth trend in in Asia, The technologically advanced factory in Shah Alam, which replaced the current, decades old, Petaling Jaya factory at a cost of S\$31.3 million, this highly efficient plant required marginally more than the current 50 staff to run more than twice the current volume. Cerebos is now in position to move forward rapidly and aims to become one of the biggest health supplements and food companies in the Asia Pacific region. The new factory boost the production capacity from the existing 800,000 bottles a month to 1.8 million bottles a month for both domestic consumption as well as the export market. By making the strategic decision to make a significant investment of RM75 million, Cerebos demonstrates their commitment to their Malaysian consumers and stakeholders for the coming decades of their operations. The new factory house the production of BRAND’S® Essence of Chicken including the herbal range, BRAND’S® Bird’s Nest range as well as BRAND’S® Innershine Prune and BRAND’S® Innershine Berry Essence, the two latest innovative products.

It boasts a contemporary design which will also incorporate eco-friendly and energy saving designs to help minimise waste and reduce impact on the environment. It will comply with stringent ISO 14001 environmental standards and also to the OHSAS 18001 occupational health and safety standards in addition to Halal certification and many others recognised quality certifications.
