

ICOSSE'19

International Congress on
Sustainability Science & Engineering

JULY 1-3, 2019
KUALA LUMPUR,
MALAYSIA

SPECIAL REGISTRATION SAVINGS!

You're invited to the **8th International Congress on Sustainability Science & Engineering (ICOSSE '19)**, a platform for innovation in sustainability science and engineering.

We are excited to invite researchers and practitioners working in related disciplines to share their research and knowledge.

Submit your abstract in these areas:

- Sustainable technologies development
- Renewable Energy
- Circular economy
- Food, energy and water nexus
- Biomass conversion and utilization
- Waste handling, management and minimization

SPECIAL REGISTRATION SAVINGS!

For individuals who attended more than one Institute for Sustainability (IfS) conference in 2018 or 2019, **receive 15% off your ICOSSE '19 registration**. Use promo code **ICOSSE19** to activate your savings when registering online or by contacting Customer Service at +1.203.702.7660 or customerservice@aiiche.org.

CONFERENCE CHAIRS:
