Ref. No. : IEM19/HQ/212/C

SYNOPSIS

The TAMCO Group has gone from strength to strength since its humble beginnings in 1964. With over four decades of manufacturing expertise, the company is today the leading producer of low and medium voltage switchgear in South East Asia. Furthermore, the TAMCO Group is proud to have one of the most technologically advanced facilities in the market with its new German technology centre. The TAMCO Group's products are widely used in the power, oil & gas, construction and manufacturing industries. Through extensive R & D and advanced manufacturing technology, the TAMCO Group is able to deliver high quality and cost-effective products. Through innovation and customer responsiveness, the TAMCO Group will continue to enhance its position as a major player in the international switchgear market place.

Currently, TAMCO's manufacturing facilities are located in Malaysia, China, Australia and Indonesia. Each facility is well equipped with state-of-the-art manufacturing equipment and systems to ensure optimum efficiency and productivity. TAMCO is focused on technological innovation. The technology will serve the needs of our customers in providing lower life time cost, lower maintenance, less environmental impact but higher reliability. Our continuous pursuit of innovation has resulted in the introduction of the first successful nitrogen application as an alternative insulating medium. Moving forward, TAMCO will introduce more products with new insulation and protection applications to suit our customer needs.

COMMITMENT FEE (inclusive SST)
(Non refundable & Non transferable)
IEM Member: RM 50.00
Non Member: RM 80.00

IMPORTANT

All participants **MUST** wear their own safety shoes and attend the safety briefing.

Anyone not complying with the safety requirements will not be allowed to enter the facility.

TIME and TENTATIVE ITINERARY	
8.30am	Participants assemble at Bangunan Ingenieur for Registration
9.00am	Depart to site by bus
9.30am	Safety Briefing and Introduction to TAMCO
10.00am	Short Talk on Medium Voltage Gas Insulated Switchgear GV3N by Ir. RAZALI BUDIN, Vice President & Company Director
11.00am	Q&A Session
11.30am	Factory Visit
12.30pm	End of Visit - Travel back to IEM

- The visit is strictly limited to only forty (40) participants registered and fully paid on a first-come, first-served basis.
- Interested members could register and pay online at IEM website (<http://www.myiem.org.my>) or
- Register by returning the appended registration form by 20th June 2019 together with the payment.
- Cheques are to be made payable to "The Institution of Engineers, Malaysia".
- The commitment fee must be settled prior to the visit.
- After this closing date, IEM reserves the right to allocate seats on first come first paid basis.
- Members are also reminded that if a place is reserved, IEM may cancel the reservation if payment is not received.
- If IEM maintained the reserved seat and the intending participant failed to attend the visit on the date of the event, the fee will still have to be settled in full.

Ir. Francis Xavier Jacob
Chairman, Electrical Engineering Technical Division

REPLY SLIP

Organised by
