PURPOSE OF VISIT

This technical visit will provide participants insights to the works on the segmental box girders (SBGs) for the extended Ampang Line. An overview of the entire line will be updated. Participants will also have a chance to witness the launching of SGBs and short technical tour of the line.

The proposed Ampang extension line starts from Sri Petaling Station and passes through Kinrara, Puchong, and ends at Putra Heights. The extension is 17.7km long with 12 new stations. All stations will have facilities such as lifts, escalators, public telephones, surau and public toilets. The stations will also be equipped with Universal Access facilities such as ramps, tactile tiles, low ticket counters and toilets for the disabled. The project is expected to be completed in 2014.

- ✓ The visit is strictly limited to only **thirty (30) participants** registered on a **first come first pay** basis.
- ✓ Interested members could
 - **register and pay online at IEM website** (<http://www.myiem.org.my>); **OR**
 - register by returning the appended registration form by **16 May 2012 (Wednesday) together with the payment.**
- ✓ Cheques are to be made payable to **"The Institution of Engineers, Malaysia"**.
- ✓ **The commitment fee must be settled prior to the visit.**
- ✓ After this closing date, IEM reserves the right to allocate seats on first come first pay basis.
- ✓ Members are also reminded that if a place is reserved, IEM may cancel the reservation if payment is not received.
- ✓ If IEM maintained the reserved seat and the intending participant failed to attend the visit on the date of the event, the fee will still have to be settled in full.
