SYNOPSIS

Loji Janakuasa Solar Bidor is the first Large Scale Solar (LSS) power plant in Malaysia to achieve Commercial Operation Date (COD) on November 2018.

After being first claim for Malaysia the distinction of establishing the world's most resource-efficient solar power plant in Melaka, it was only natural for Gading Kencana to take on even bigger challenges. Leveraging proven experience and expertise, Gading Kencana's with Loji Janakuasa Solar did just that during LSS1- a far larger 30 MWac solar power plants at Bidor which was first to achieve COD. Gading Kencana's reputation for excellence and reliability makes that company one of Malaysia's foremost names in Renewable Energy.

For this technical visit, participants will be able to see the overview of the processes and operation of Janakuasa Solar plant.
