CANCELLATION POLICY

IEM reserves the right to postpone, reschedule, allocate or cancel the course. Full refund if cancellation is received in writing more than 7 days before start date of the event. No cancellation will be accepted prior to the date of the event. However, replacement or substitute may be made at any time with prior notification and substitute will be charged according to membership status.

SYNOPSIS

The engagement session will update the stakeholders of the electricity supply industry about the recent updates in TNB Electricity Supply Application Handbooks (ESAH 3.1) and some of the new initiatives in Low Voltage (LV) and Medium Voltage (MV) Supply Connection with focus on World Bank Getting Electricity in Kuala Lumpur and TenagaXpress in Bangi and Shah Alam.

Besides that, the session will also cover the details of the TNB online supply application portal, myTNB Portal on the new outlook and new features that give benefits to the users, i.e. customers, contractors, consultants and developers.

The session will be concluded with a Question & Answer (Q&A) session which provide a platform for participants to discuss about the challenges faced in the electricity supply application with the TNB.
