Technical Talk on “Industry4WRD: The Readiness Assessment”

CONSULTING ENGINEERS SEPCIAL INTEREST GROUP (CESIG)

Synopsis:

Malaysia has launched the National Policy on Industry 4.0 (Industry4WRD) on 31 October 2018. There are many strategies by Ministry of International Trade and Industry (MITI) to attract Industry especially manufacturing based SMEs to adopt Industry 4.0 technologies & processes. The target outcomes will be the higher manufacturing sector contribution, more high value-added products and continuing FDIs. In this talk, the speaker will share with the audience about the **Industry4WRD Readiness Assessment (RA)**. Industry4WRD RA is a comprehensive programme to help firm assess their capabilities and readiness to adopt Industry 4.0 technologies and processes, using a pre-determined set of indicators to understand their present capabilities and gaps
