Robert is a seasoned professional director and Project Delivery Partner with 20 years of Programme and Project Management experience that has included people, processes and technology. He has formal training in Project Management and Accountancy that helps in Project Financials, Stakeholders' management, Quality/Risk/Procurement Management, Systems Analysis and Design, and Project Management of Application Systems deployment. During the past fifteen years, Robert has helped and coached corporate business owners and their team in addressing business issues, procedure realignment, provision of alternatives, proposing work-around solutions and business process improvements.

As a Principal Consultant with PwC and another big four regional consulting organisation, Robert has practiced best-in-class project management methodologies (Ascendant, Summit2). He has roll out more than 20 projects some of which were multi-country and multi-cultural in scope across the Asia-Pacific region in countries like Singapore, Taiwan, Hong Kong, Philippines, Indonesia and Malaysia. The enterprise class systems implementation were for industries ranging from Financial services/banking, General construction, IT suppliers, ERP implementers and Software developers, M&E and Engineer-to-order (ETO) manufacturers. The in-depth experience managing stake holders' expectations, subcontractors and vendors has helped Robert to complete projects on time, budget & quality.

Robert has conducted extensive Project Management Training & coaching for business & technology users during the project life cycle. He has delivered Project Management and PMO Competency based Training, Coaching & workshops as well as the professional series in Negotiation skills, Conflict Management, Effective project estimation & budgeting control, Project Leadership & soft skills.

Robert is an ACTION International trained business coach. The training and career development gained over the years has enabled Robert to gain the honour with Distinctions in all papers for the **Cambridge International Diploma in Project Management** now referred to as the *International Diploma in Project Management, IDPM(Camb)* . He has been and continues to be an invited speaker at many public symposiums, seminars and in-house events of MNCs and local conglomerates both here in Malaysia and in the APAC region. He does research in Project Management Maturity at the University of Nottingham, Malaysia Campus, a 2 terms Adjunct Professor, and now as Industry Advisory Panel member, University Malaysia Pahang.
