

## WEBINAR TALK

# “Industry4WRD: Building Industry 4.0 Capacity”

Organised by **CONSULTING ENGINEERS SEPCIAL INTEREST GROUP (CESIG) & AER ASEAN Engineering Inspector - Manufacturing (AEI-MFG)**

## Synopsis:

Malaysia has launched the National Policy on Industry 4.0 (Industry4WRD) on 31 October 2018. There are many strategies by Ministry of International Trade and Industry (MITI) to attract Industry especially manufacturing based SMEs to adopt Industry 4.0 technologies & processes. The target outcomes will be the higher manufacturing sector contribution, more high value-added products and continuing FDIs. In this talk, the speaker will share with the audience about the Industry 4.0 capacity building that based on the Need Analysis of six Asian Productivity Organisation (APO) economies.
