

WEBINAR on “Industry4WRD: e-Economy of South East Asia”

Jointly Organised with Consulting Engineers Special Interest Group (CESIG) &
AER ASEAN Engineering Inspector - Manufacturing (AEI-MFG)

Synopsis:

Malaysia has launched the National Policy on Industry 4.0 (Industry4WRD) on 31 October 2018. There are many strategies by Ministry of International Trade and Industry (MITI) to attract Industry especially manufacturing based SMEs to adopt Industry 4.0 technologies & processes. The target outcomes will be the higher industry contribution, more high value-added products and continuing FDIs. *World Engineering Day* is celebrated on 4th March every year since 2020 as a UNESCO international day of celebration of engineers and engineering. IEM CESIG is organizing a series of talk in the month of March 2021 to support the World Engineering Day. In this talk, Ir. Dr. Tan will share about the report by Google, Temasek and Bain on the Internet economy in Southeast Asia.
