Speaker

Ir. Ang Kok Keng has a degree in Civil Engineering, Master's degree in Engineering Management and a Diploma in International Arbitration with 20 years' of experience in the Construction Industry. Ir. Ang Kok Keng sits on the panel of Adjudicator in Asian International Arbitration Centre and Mediator in Malaysian Mediation Centre. He regularly acts as counsel in adjudication proceedings under CIPA Act 2012 and PAM Arbitration. He is also the member of MIARB, MSADJ, MMC, SCL and TAE (Practising Associate).

Synopsis

This IEM Webinar series offers simple explanation to the IEM Form of Contract for Civil Engineering Works (CE 2011) by categorising all clauses into different aspect. Understanding of this Standard Form is essential for the contract administrative works of an Engineer, Contractor and Employer during the execution of Works. Unwarranted disputes can be avoided with parties' understanding of their respective duties, rights and obligations expressly stipulated in CE 2011.

BEM Approved CPD/PDP Hours: 2

(for each series attended)

(Note: If attended ALL – accumulated to 14 hours CPD)
