

WEBINAR DOCUMENTATION IN ANTICIPATION OF CIPAA

20 APRIL 2021 | 5.30 PM-7.30 PM

BEM Approved CDP: 2 Hours

Ref. No.: IEM21/HQ/111/T(w)

Synopsis

CIPAA is an Act to facilitate regular and timely payment in the Construction Industry. Reference of payment dispute to CIPAA requires a construction contract in writing and discharge of burden of proof by the parties. It is therefore a good practice for parties to ensure proper documentation throughout the course of works in anticipation of CIPAA. This webinar looks at the various type of documents required for claims and defenses in a CIPAA proceeding.
