

WAGE SUBSIDY PROGRAMME 4.0 (WSP 4.0)- PEMULIH PACKAGE

Dear IEM Members,

The Social Security Organisation (SOCSO) will assist more than 242,000 employers with 2.5 million employees nationwide through the extended Wage Subsidy Programme (WSP) 4.0. The four-month WSP 4.0, is one of the initiatives under the Pakej Perlindungan Rakyat dan Pemulihan Ekonomi (Pemulih). Starting 1st August 2021, all eligible employers can submit their applications and this programme will run until 31st October 2021. Under the WSP 4.0 program (PEMULIH Package), the government allows the employers to apply for subsidy for RM600 per worker (up to 500 workers) for 4 months, namely 2 months for each sector in Phase 2 of the National Recovery Plan, and the next 2 months specifically for sectors in the negative list (i.e. not allowed to operate) during the Phase 3.

| National Recovery Plan | No. of Months | Sector |
|------------------------|---------------|---------------------------------------|
| Phase 2 | 2 months | All Sectors |
| Phase 3 | 2 months | Sector listed under the negative list |

Unlike WSP 3.0, there would be no salary cap under WSP 4.0 (Employers can apply for WSP 4.0 for their workers who earn more than RM4,000).

In order to explain to the employers, the details of these 2 programmes, as well as to clarify any queries employers might have, the Office of Employment Insurance System (EIS), under SOCSO will be organising **5 briefing sessions**. Employers may register to participate in any of these sessions and find out more on the eligibility as well as application process for Wage Subsidy Programme (Program Subsidi Upah) WSP 4.0 and Hiring Incentives Programme (Penjaya Kerjaya) 3.0. The Penjana Kerjaya 3.0 hiring incentive program is already available for employers to partake. This program allows employers to hire new employees, upskill or reskill their newly appointed talents. Penjana Kerjaya 3.0 will be open from 15th July 2021 till 31st December 2021.

To get more information on this initiatives, IEM Members are encouraged to participate in these **free briefings**, in order to obtain the greatest benefit from these programmes. The Briefing Sessions are currently planned to be held on the following dates:
