Why Do I Want To Attend?

1. I want to know the best way to present my experiences in the report so that it can be considered as my engineering experience for Engineering Knowledge Application, Problem Solving, Management, Interpersonal Skill and Professional Ethics.
2. I want to see some of the good examples to follow and bad examples to avoid in my report.
3. I want to know how to be a good mentee and make full use of the mentorship program that is offered to me by the IEM ECD.
4. I want to know the responsibilities of my mentor.
5. I want to meet my potential mentor. I want to know how to choose the most suitable mentor for me.
6. I want to know if I am ready to be a Professional Engineer.
7. As for the mentors, you get to learn your responsibilities and learn how to be the best mentor for your mentees.
