

SIRIM Library Membership Local & International Standards)

Dear IEM Members

For your information, we are focusing to purchase Malaysian Standards instead of International Standards.

For International Standards, we are providing alternative service which is SIRIM Library Membership Card where IEM members can use and borrowing the 15 standards except MS from SIRIM in within 14 days.

Here are some International standards that can be borrowed (if any) by IEM Members as below:

AS (Australian) | **ASTM** (Hardcopy version) | **JIS** (Japanese) – Hardcopy version – In English only | **BSI** (British Standard) **SAE** (American Aerospace standards) | **DIN** (German) – Both German and English | **ASME** (Hard copy and PDF). Boiler pressure codes etc.) | **CSA** (Canadian) | **ISO** (Hardcopy and PDF) | **IEC** (Hardcopy and PDF) | **AIAG** (Hardcopy version) | **ANSI** | **SAE** | **AWWA** | **NFPA** | **IEEE** etc.
