

IEM YOUNG ENGINEERS NATIONAL SUMMIT 2022 ! (NATSUM 2022)

Dear Student Member & Graduate Members!

As the lifting of travel restriction between Malaysia states to cross over, we are delighted to bring to you the NATSUM 2022 which will be held physically this year in East Malaysia! It's time to meet up among the fellow young engineers across the states of Malaysia to bond and have fun together!

Grab this opportunity as you will meet various outgoing and active young engineers from various discipline to share knowledge and experience together!

Intrigued to know what we have prepared for you? Wait no more as this year we will let you experience the Sabah style by bringing you to enjoy the view, nature and most importantly the culture of Sabah!

As the organizing branch for this year NATSUM 2022, the IEM YES (Sabah Branch) is inviting all the IEM Student and Graduate Members to participate in this annual event!

We hope to expose you to meeting and connecting with more young engineers, share view and bond together as this is the objective of IEM YES NATSUM!
