PARKROYAL PENANG RESORT,  
PENANG, MALAYSIA

### WOMEN EMPOWERMENT AND LEADERSHIP: TOWARDS A BETTER WORLD

#### INTRODUCTION

In conjunction with the 12th INWES Asia Pacific Network Nation (APNN), IEM WE is organising the 3rd International Conference of Women in Science, Engineering and Technology (WiSET) 2022. This conference aims to identify the challenges faced by women in science, engineering and technology (SET); address the issues relating to Women in SET and share perspectives in devising strategies to address the imbalance of women participation in SET so as to create opportunities upon which to build the future.

The anticipated participants of this conference would be Professionals in the field of STEM such as Scientists, Engineers and Technologists. At this conference, inspiring experiences and the secret to success among Scientists, Engineers and Technologists will be shared. It would indeed be a platform where all Professionals would look forward to.

#### CONFERENCE OBJECTIVE

- ⚙️ To engage, inspire and build the next generation of women in Science, Engineering and Technology
- ⚙️ To empower women in Science, Engineering and Technology through entrepreneurship
- ⚙️ To energize future leaders and build excitement in STEM fields
- ⚙️ To promote globalization and integration amongst women in Science, Engineering and Technology
