BACKGROUND

Huawei is dedicated to enrich life and improve efficiency through a better connected world. We aim to bring the possibility of networks to touch the everyday life of consumers, industries and businesses with meaning. Operating across 170 countries globally, with operators, governments and a myriad of industry movers, Huawei is fortunate to be constantly exposed to new challenges and opportunities, to serve the needs of the ICT industry and to help our stakeholders succeed in their business. South Pacific region will be our latest rollout for CSIC. Customer Solution Innovation & Integration Experience Center or better known as CSIC is a platform setup exclusively for this in mind.

- Bringing our Global experiences that is localized to the Asian context
- An open ecosystem to encourage commercial testing
- Accelerate go-to-market for industry players
