Synopsis

This one-day course provides a simple explanation to the IEM Form of Contract for Civil Engineering Works (CE 2011) by categorising all clauses into six (6) main categories. Understanding of CE 2011 Conditions of Contract is essential for the contract administrative works during the construction and post construction. Unwarranted disputes can be avoided with the parties' understanding of their respective duties, rights and obligations expressly stipulated in CE 2011.

About the Speaker

Ir. Ang Kok Keng has a degree in Civil Engineering, Master's degree in Engineering Management and a Diploma in International Arbitration with more than 20 years of experience in the Malaysia Construction Industry. His expertise includes Project Management, Contractual Management, Arbitration, Adjudication, Mediation, Expert Determination, Delay Analysis and Expert Services.

Ir. Ang Kok Keng sits on the panel of Arbitrator in Asian International Arbitration Centre (AIAC) & THAC, Adjudicator in AIAC, Mediator in Malaysian Mediation Centre and Expert Determiner in The Academy of Experts (TAE). He is a Fellow of CIARB & MIARB and member of IEM, MSADJ, SCL Malaysia and TAE (Practising Associates).
