SYNOPSIS

Tractors Malaysia is the exclusive Caterpillar dealership under Sime Darby Industrial Sdn Bhd (SDISB) and is a leader in the marketing of premium heavy equipment in Malaysia and Brunei. Its partnership with Caterpillar began in 1929 when Sime Darby, through the Sarawak Trading Company, was appointed the Caterpillar dealer for Sarawak, Malaysia. At the time, the company, which was later, renamed Tractors Malaysia, brought in equipment mainly to provide support and service to oil exploration activities in Miri.

Tractors Malaysia has 17 locations throughout Malaysia providing point of sales & after sales support. Cat's extensive product line ranging from earth-moving, forestry, road construction & paving, building construction, agriculture/plantation and industrial material handling equipment available on various easy ownership scheme (new, used and rental).

The Power System Division is striving in providing the customers best solution and product support. With decades of experience and unmatched expertise, the experts are ready to help the customers to design a system customized to the needs and specifications. All Caterpillar® products are being designed to work together with all elements relating to genset production, control and monitoring functions integrated into a single-source package.
