

Phased Liberalisation 2A – Revised Fire Tariff 2.0

Please note the following key changes which will take effect from 1st October 2022.

1. Fire Tariff Rate will be revised downwards by 15% for all construction classes for 97 trade codes (93 trade code for Fire and 4 trade code for HO/HH)
2. Detariff discount will be capped at 30%
3. Increase of self-rating from RM50mil to RM100mil (Property Damage & Business Interruption Combined)

Important note: Renewal Notices during this period which are on Self Rating or Special Rating Rates may be affected due to this exercise. You must check with your Marketers on the accuracy of the Renewal Notice Rating before releasing it to your clients

Thank you.
