

TECHNICAL TALK

UNDERSTANDING AND MITIGATING FUTURE FLOOD RISK: UK AND MALAYSIA

19
September
2023

5:30pm -
7:30pm
Online

2 CPD

Ref. No:
IEM23/HQ/399/T (w)

SPEAKERS

DR. BALQIS MOHD. REHAN
Senior Lecturer
Civil Engineering Department
Universiti Putra Malaysia

DR. VICKY BELL
Principal Hydrological Modeller
UK Centre for
Ecology & Hydrology (UKCEH)

DR ING PAUL SAYERS
Chartered Engineer & Technical
Lead
Sayers and Partners Limited

DR. PONNAMBALAM RAMESHWARAN
Research Scientist
UK Centre for Ecology and
Hydrology (UKCEH)

DR. ZED DIYANA ZULKAFLI
Associate Professor
Civil Engineering Department
Universiti Putra Malaysia

- 1 Background to the FIAS UK - Malaysia Collaboration
- 2 The impact of projected climate change on river flow: UK and Malaysia
- 3 Assessing flood risk management in UK and Malaysia
- 4 Nature based solutions for flood mitigation. UK experiences
- 5 Ways forward for catchment-scale hydrological modelling in Malaysia
- 6 Final discussion
