

ETSC NETWORKING SESSION 2023

"The Rise of Technician"

04 NOV 2023 (SAT)

10 AM - 2 PM

MALAKOFF AUDITORIUM, WISMA IEM PJ

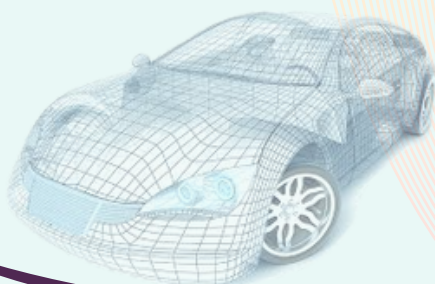

Engineering Technologist & Technician Subcomm (ETSC) welcome all engineering technologists and technicians to join our second meet-up session and special talk from our 2 guest speakers that will be sharing their challenging working experience in handling crisis, safety technology and solutions. The theme - "**The Rise of Technicians**" hails the indispensable presence of technicians across diverse sectors, such as mechanical, electrical, rail, aerospace, and more, aligning with Malaysia's Industry 4.0 agenda. The Registration of Engineers Act 138 has rightfully recognized technicians, and the Institution of Engineers Malaysia (IEM) has embraced them, providing a professional pathway. This inclusivity foresees a surge in technicians contributing significantly to the advancement of industries and the realization of Malaysia's Industry 4.0 vision, making them central to technological innovation and progress in today's complex world.
