

# Webinar Pre AGM Talk on "Updates and Changes in Building Code and Regulations " In conjunction with METD's 38<sup>th</sup> AGM

Organised by:  
Mechanical Engineering Technical Division, IEM

**BEM Approved CPD/PDP Hours: 2 | Ref No: IEM23/HQ/540/T**

**Date: 16<sup>th</sup> December 2023 (Saturday)**  
**Time : 9am to 11am**  
**Venue : Zoom Virtual Platform**

## **REGISTRATION FEES**

**IEM Students: Free**  
**IEM Members/IMechE Members:**  
**RM15 (Online) / RM20 (Offline)**  
**Non-IEM Members: RM70**

### Synopsis

There have been several codes, regulations, and standard updates and changes since the last PPK-IEM seminar during the Covid-19 MCO and recovery phases. This session will highlight some of these changes from the various authorities, which could affect planned projects as well as ongoing mall operations. Those key documents and circulars from DOE, DOSH, ST, Bomba and KPKT will be presented.

### Speaker's Profile

Ir. Loo Chee Kin is an active member in the Institution of Engineers Malaysia (IEM). He was the past Chairman and Advisor of IEM Mechanical Technical Division (METD) and committee member in the Fire Advisor Board (FAB). For his contribution and work in disaster management to the ASEAN Federation of Engineering Organisations (AFEO), he was conferred an Honorary Member of AFEO in 2020.

He is a Senior Consultant with TÜV SÜD Global Risk Consultants (GRC) and before that he was a Senior Engineering Specialist with FM Global for some 12 years. He has more than 25 years engineering experience, from design to field work. He graduated from UMIST, Manchester, UK with a B.Eng in Electromechanical Systems Engineering and a Diploma in Electromechanical Systems Engineering from Kota Bharu Polytechnic in Kelantan, Malaysia. He is a P.Eng in Mechanical and Electrical Engineering and a Member of IEM. He is a Member of IMechE and IEE, and registered C.Eng.
