

# WEBINAR on "VIRTUAL CONSTRUCTION AND HOW DOES VR & AR FACILITATE CONSTRUCTION SITE"

**DATE** 13th January 2024, Saturday

**TIME** 10: 00 am - 12: 00 pm

Su Yu is a dynamic professional with a passion for technology and a proven track record in business development. As a valued member of the VRcollab team, Su Yu brings a fresh mindset and a forward-thinking approach to the ConTech industry.

Holding the position of Business Development Executive, Su Yu has been instrumental in fostering partnerships, accelerating market penetration to drive VRcollab's global footprint.

Looking ahead, Su Yu envisions a future where VRcollab continues to be a driving force in shaping the digitization of the AEC industry. He is dedicated to expanding the company's global footprint, whilst being committed to fostering a culture of collaboration & innovation, not only with VRcollab's valued clients, but also within the VRcollab team.
