

## **IJM-IEM Scholarship Criteria, Terms & Conditions**

The Conditions to be fulfilled by applicants for **IJM-IEM Scholarship** are as follows:

1. Open to all Malaysian Citizens.
2. He/She is a **FIRST YEAR** Engineering Student.
3. He/She is following a course of study in an approved university or other approved local centers of higher learning or is eligible to enter such local university or local centers of higher learning
4. He/She is following or will enroll for a course of study in any branch of the engineering professions accredited by the BEM & IEM.
5. He/She is not holding another scholarship except PTPTN.
6. STPM holders who achieved a minimum academic requirement of 2As, and Matriculation requirement of 3.0.
7. Have been actively involved in extra-curriculum activities during previous study at school or other institute.
8. Internship placement opportunity at IJM upon completion of study.

Payment of **RM8,000** will be given on an annual basis for the full duration of his/her studies. Release of funding in the subsequent years will be subject to the recipient submitting his/her results for the year to IEM.

Additional **RM3,000** will be given in the first year to help set up the students as they embark on their academic journey.

Generally the student must need the financing, Academic results are second to this.
