

IEM'S AWARD FOR CONTRIBUTION TO THE ENGINEERING INDUSTRY IN MALAYSIA

GUIDELINES AND CRITERIA

The Award is conferred as recognition of the significant contributions made to the Engineering Industry in Malaysia. The Award is given to an Organisation or Company that :

- Contributed to the 'Advancement of Engineering' in Malaysia, and/or
- Designed and constructed an original engineering device or system of merit and applicability to industry

MECHANISM

- The Organising Committee / designated IEM Council, Excomm, Technical Divisions, Special Interest Groups or Sections members will approach these Organisations / Companies to nominate them for the Award. **All the nominees shall be encouraged to buy tables at the IEM's Annual Dinner. Table categories shall be Platinum and Diamond only.**
- **Organisations / Companies who had won the Award previously (under any categories), are not eligible to be nominated for any categories, for the next three (3) years.** This is too encouraged and allows other Organisations / Companies to be nominated.
- The Evaluation / Judging Committee shall make their selection based on specific criteria. The winner would be announced at the IEM's Annual Dinner.

CRITERIA

The basis for the Award shall be engineering achievements that demonstrate significant contribution to the progress of engineering and the quality of life both in Malaysia or internationally.

- The Organisations / Companies to be recognised should come from sectors that are important to the Engineering Industry at that material point in time.
- The Organisations / Companies had contributed to the Advancement of Engineering in Malaysia or Internationally

- Each proposer can nominate an Organisation / Company who has performed the best and influenced the industry for the year

AWARD COMMITTEE

- The Awards Committee may refer to additional materials in considering the merits of the nominee. The Award shall be made by the Council upon the recommendation of the Awards Committee.
- Not less than two third (2/3) majority vote of the Awards Committee is necessary for a recommendation of an award to be forwarded to Council. When presented to Council for approval, a simple majority to approve the project would be sufficient.
- The Chairman of Activities shall be the Chairman of Judging Committee. Few Outside Members among the industry players shall be invited as the Jury Committee (invitees to be determined later).

THE AWARD

- The Award is in the form of a specially designed Trophy / plaque and a certificate.
- The Award shall be presented during IEM's Annual Dinner and Awards Nite.

NOMINATION FORM

IEM AWARD FOR CONTRIBUTION TO THE ENGINEERING INDUSTRY IN MALAYSIA

Category Nominated : Water Industry Facilities Management Power Energy & Green Technology Industry

(Please tick appropriate Box) Engineering Consultancy Practices (ECP) Engineering Construction Sustainable Property Development

Asset Management (i) Building (ii) Industries Manufacturing & Production Digital Industry

NOMINEE

Name of Nominee (Organisation)

Contact Person:

Email : Tel/Hand phone:

Fax :

Contribution to Industry information to be provided is categorised as follows:

1.	Contribution Towards the Engineering Advancement of the Country
2.	Human Capital Development of Malaysian Engineers
