

Physical Technical Talk

Renewable Energy & Power Generation Technologies

Join us for an
engaging and
interactive
session

8th March 2025
9.00 am - 11.00 am

**Auditorium Chin Fung Kee,
3rd Floor Wisma IEM, PJ**

Registration Fees

IEM Students : Free

IEM Members : RM 15

Non-IEM Members : RM70

How is electricity generated in
Malaysia and around the world?

Can renewable energy truly
replace fossil fuels?

What are the latest power
generation technologies
shaping our future?

Speaker :

Ir. Fam Yew Hin

Ir. Fam brings decades of experience in the energy sector, having worked with TNB, the Energy Commission, MyPOWER Corporation, and international power producers.

Currently, Ir. Fam Yew Hin is the Board Member of the Board of Engineers Malaysia as well as the Board Member of the Board of Quantity Surveyor Malaysia. He is the Vice President and Chairman of the Standing Committee on Information and Publications Committee in IEM. Ir. Fam is also currently the Chairman of the Corporate Communications Committee of BEM.
