SYNOPSIS

The PLUS Traffic Monitoring Centre (TMC) is a pivotal hub in safeguarding road users by delivering accurate and prompt information to key stakeholders, coordinating crisis, emergency and incident responses along the expressways, working closely with PLUSRonda, which is part of Emergency Response Team. Beyond this, the TMC engages in collaborative efforts with key agencies such as the police, road transport department, fire department, ambulance, and rescue services, among others, to facilitate prompt incident and breakdown clearance on the mainline. This proactive action not only enhances the crisis and emergency management but also elevates safety standards and operational efficiency across the expressways.
