Synopsis

The My5G Portal is Malaysia's premier 5G experience centre and innovation lab, developed by Digital Nasional Berhad (DNB) in partnership with Ericsson. Located at Level 1, South Podium, Menara Exchange 106, Tun Razak Exchange, Kuala Lumpur, it offers an immersive and educational environment for government agencies, industry leaders, academia, and the public.

What Participants Will Experience:

Visitors to the My5G Portal will embark on an eye-opening journey into the world of 5G through live, hands-on demonstrations and immersive showcases. They will explore more than 50 real-world 5G use cases across 12 industry sectors, including healthcare, manufacturing, logistics, mobility, smart cities, and public safety.

Participants will gain a deeper understanding of how 5G technologies are revolutionising business operations, enhancing connectivity, and transforming everyday life. The experience is designed to inspire innovation, support digital adoption, and foster collaboration among professionals, policymakers, technologists, and academics.

Why Visit:

- Experience how 5G transforms industries and everyday life
- Interact with live 5G applications and emerging technologies
- Engage with immersive, hands-on demonstrations
- Network with ecosystem players and explore collaboration opportunities
