Honorary Secretary

The Institution of Engineer, Malaysia (IEM)
Bangunan Ingeniur,
Lots 60, 62 Jalan 52/4 P.O Box 223,
Jalan Sultan 46720 Petaling Jaya, Selangor.

Dear Sir,

OFFER OF COLLABORATION - EV CHARGER CORPORATE PROGRAMME FOR IEM MEMBERS

SafevCharge is pleased to offer a collaboration with the Institution of Engineers, Malaysia (IEM) to introduce the EV Charger Corporate Programme for IEM members. This programme is designed to bring tangible benefits and exclusive privilege to IEM members and their families.

Programme Highlights:

- 1) Special Rebates: Exclusive pricing of EV chargers and home installation packages for IEM members and family members.
- 2) Revenue Sharing: Corporate introductory fee of RM 200 for IEM - each charger purchased by a member.
- 3) Co-Branding: IEM logo featured on SafevCharge EV chargers and social media platform.
- 4) Verification of membership: Standard application form as determined by IEM Secretariat.

On top of elevating value of IEM membership, this initiative will also further enhance IEM's position at the forefront of green mobility and ESG (Environmental, Social and Governance) commitments within Malaysia's engineering fraternity.

We believe this collaboration will mark another milestone for IEM and look forward to embarking on this partnership.

Thank you for your kind consideration, and we look forward to working with IEM in this exciting journey towards sustainable mobility.

Yours faithfully,

Jeffrey Low

Director, SafevCharge
