AGENDA

The Women Engineers Section (WE) of the Institution of Engineers, Malaysia (IEM) will convene a **Special General Meeting** to present and vote on the **proposed amendments to the WE Rules**.

This revision is undertaken to **encourage greater participation of women engineers in IEM branches and to strengthen their active involvement in the WE Section**.

Key agenda:

- Presentation of proposed amendments to the WE Rules
- Voting on specific clauses requiring revision

Attendance:

- All women registered members of IEM are welcome to attend
- **Only Corporate Members are entitled to vote** on the proposed amendments

Benefits of active involvement in WE Section include:

- Enhanced networking opportunities across IEM branches
- Greater visibility and representation of women engineers in professional activities
- Access to leadership and mentoring platforms within WE
- Contribution to shaping policies and initiatives that support women in engineering
- Strengthening collaboration and support among women engineers nationwide

Your presence and participation are crucial in shaping the future direction of the Women Engineers Section.
