2.00PM	End of Technical Visit

SYNOPSIS

The technical visit to Pusat Hidrografi Nasional (PHN) provides IEM members with exposure to Malaysia's hydrographic functions and capabilities. Participants will gain insights into hydrographic surveying, nautical charting, and marine geospatial data management, supporting maritime safety and coastal development. The visit enhances understanding of hydrography's role in offshore engineering and infrastructure planning, supports continuous professional development (CPD), and promotes professional networking and inter-agency collaboration.

- The visit is strictly limited to only thirty (30) participants registered and fully paid on a first-come, first-served basis.
- Interested members could register and pay online at IEM website (<http://www.myiem.org.my>)
- The commitment fee must be settled prior to the visit.
- After this closing date, IEM reserves the right to allocate seats on first come first paid basis.
- Members are also reminded that if a place is reserved, IEM may cancel the reservation if payment is not received.
- If IEM maintained the reserved seat and the intending participant failed to attend the visit on the date of the event, the fee will still have to be settled in full.

REGISTRATION

Commitment Fee
(inclusive 8% SST)
(Non refundable)

IEM MEMBER: RM50
NON IEM MEMBER: RM70
